DWA_03.5 Knowledge Check_DWA3.2

_____

1. User story(ies) in Gherkin syntax for the "+" button.

Feature: Tally Counter
    As a user
    I want to increment the tally count
    So that I can keep track of a running total

Scenario: Increment the tally count by one
    Given the tally count is 0
    When I press the "+" button
    Then the tally count should increase by 1

_____

2. User story(ies) in Gherkin syntax for the "-" button.

Feature: Tally Counter
    As a user
    I want to decrement the tally count
    So that I can subtract from the running total

Scenario: Decrement the tally count by one
    Given the tally count is 5
    When I press the "-" button
    Then the tally count should decrease by 1
